

Dear Family and Friends,

As some of you may know, I will be participating and playing baseball for Garciaparra Baseball Group (GBG Marucci) this coming October. We have a really great baseball opportunity coming up which I hope you will help me, and the team, participate in. Our GBG program in 6 years has had over 400 kids commit to college and 88 young men drafted by MLB teams.

We will be heading to Jupiter, Florida to compete in the World Wood Bat Championships against the most elite baseball clubs from all over the country. This is the most highly scouted baseball event in all of amateur baseball and it's a great opportunity for me to be seen by scouts from every MLB team.

The Garciaparra Baseball Group allows some of the best high school baseball players to extend their seasons, get advanced instruction, and play top flight squads in the summer and fall months. Last year's GBG group that went to Florida had 20+ Division 1 college commitments, and over 10 players Drafted by MLB teams. We're really looking forward to seeing how we stack up against talented opponents equally committed to baseball excellence.

Our mission today is to raise money towards our Florida trip. I would be very appreciative if you could help sponsor me with a donation of \$25, or more, which will go towards air travel, lodging, van rentals, and tournament-related costs.

One way is to simply go to the link listed below which will direct you to our donation page.  
<http://www.garciaparrabaseball.com/donate>

Option 2 is for corporate or business donations. The company or business can donate to The Garciaparra Foundation which is a 501c3 non-profit set up where 100% of the money goes to help these young players and athletes. You would be able to write off a large percentage of the donation as straight donation and or marketing expense. For this type of Donation please contact Michael Garciaparra directly at (562) 824-8973 or Mike@GarciaparraBaseball.com

We know that no one enjoys fundraising. That's why we've chosen to use a process that's quick, secure, and doesn't ask you to buy food or products you don't want.

More importantly, I am truly grateful for your generosity and I cannot thank you enough for helping me reach my baseball dreams and goals.

Thank you in advance,

It only takes a minute to contribute by clicking the link below. I appreciate your time today!
